---

WHEN THE MOST PRECIOUS PORCELAIN ENCOUNTERS  
THE ANCIENT WISDOM OF ITALIAN ARTISANSHIP,  
SOMETHING EXTRAORDINARY IS BORN.

---

Nato a Firenze nel 1948 come Manifattura Artistica Le Porcellane, oggi Le Porcellane si è arricchito di nuove forme e decori sia per la casa che per l'illuminazione. Forme sinuose ed essenziali che raccontano la passione per la materia, la sperimentazione e la ricerca. Decorati in oro zecchino 24 carati o in platino che rendono ogni oggetto prezioso e irripetibile.

Le Porcellane è la perfetta sintesi tra antico sapere e idee innovative. Un brand in cui l'eleganza di un tempo viene sapientemente reinterpretata secondo le tendenze del vivere contemporaneo.

Ogni oggetto è creato per dialogare con gli arredi non solo di raffinate residenze, ma anche di prestigiosi hotel e resort ed esclusivi superyacht. Le Porcellane si anima così di dettagli ricercati facendosi portavoce, in tutto il mondo, del suo elegante eclettismo.

*Born in Florence in 1948 as Manifattura Artistica Le Porcellane, today Le Porcellane has been enriched with new shapes and decorations both for the home and for lighting. Sinuous, essential shapes derived from a palpable passion for raw material, experimentation, and research. Decorations in 24-carat gold or in platinum that render each object precious and unique.*

*Le Porcellane is the perfect synthesis of ancient knowledge and innovative thinking. A brand in which the elegance of the past becomes thoughtfully reinterpreted according to contemporary tendencies.*

*Each object is created to harmonize with fine decor – not only of refined residences, but also prestigious hotels, resorts, and exclusive superyachts. Le Porcellane's soul lies in refined, researched details, making it a spokesperson for elegant eclecticism all over the world.*
